

# The ReVisionz Change Enablement Framework

Turning Digital Transformation Into Sustainable Adoption

**6X** Projects with effective change enablement are up to six times more likely to meet or exceed objectives.

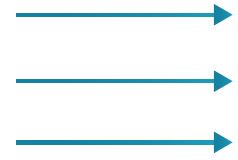

**Challenge**

**Turning Go-Live Into Long-Term Adoption**

**ReVisionz Solution**

- Teams shift focus and adoption slows after go-live
- Inconsistent processes and governance gaps emerge
- Workarounds return and system use declines

- Sustainment built into the lifecycle
- Defined ownership and support models
- Leadership alignment and feedback loops

**ReVisionz Engages Stakeholders Early to Maintain Momentum and Build Ownership Throughout Delivery**

**Actions**

- Early stakeholder engagement.
- Clear understanding of work impact.
- Role-based communication and training.
- Continuous feedback and adjustment.

**Outcomes**

- ✓ Less resistance and rework
- ✓ Faster value realization
- ✓ Stronger adoption
